

# Login screen

/login

A hand-drawn sketch of a login screen. It features a rectangular frame containing the following elements: a 'Username' label followed by a rectangular input field; a 'Password' label followed by a rectangular input field; a 'Login' button represented by a rounded rectangle; and a 'New User' label followed by a 'Register' button (rounded rectangle) and the word 'Here'.

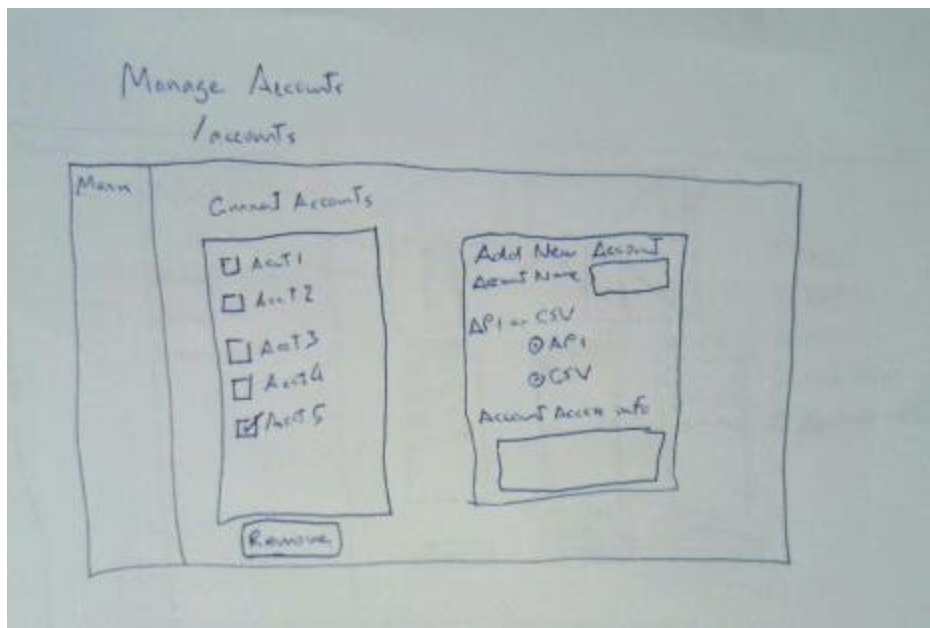

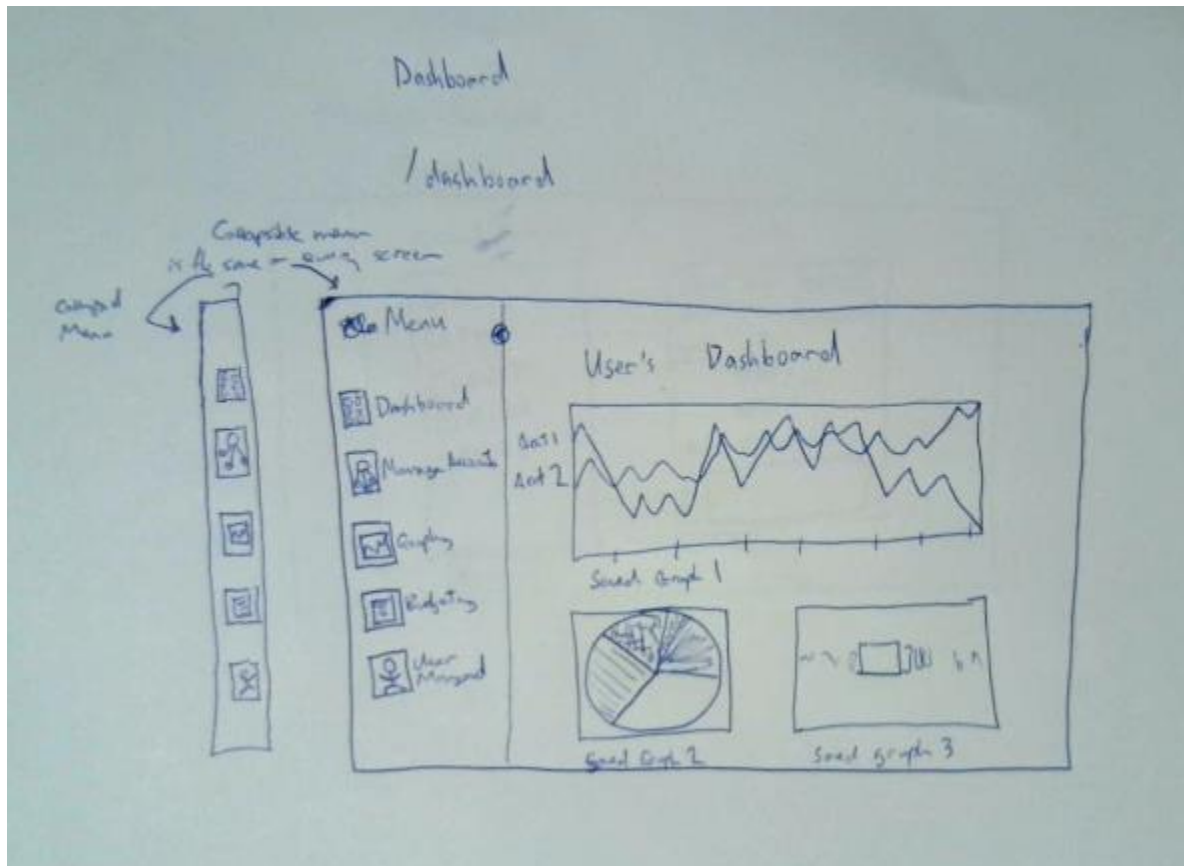

Clicking the register button will take you to the register page  
With the correct login credentials you will go to the dashboard

# Sign up

## /register

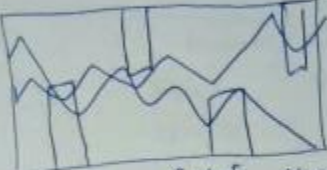

First Name	<input type="text"/>
Last Name	<input type="text"/>
Username	<input type="text"/>
Password	<input type="password"/>
Phone number	<input type="text"/>
Email	<input type="text"/>
Security question	<input type="text"/>
Security answer	<input type="text"/>
<input type="button" value="Submit"/>	

Upon hitting Submit a database check will be performed against duplicates  
Otherwise user will be created
